Your generous participation will support the **Horticulture Program** at the Charles River Center. This is an innovative program that educates adults with developmental disabilities and autism to grow and tend organic produce and flowers, care for farm animals, and interact with the natural environment.

The Charles River Center enhances the lives of children and adults with developmental disabilities and their families. Their programs aim to help individuals reach their highest possible level of independence, enabling them to lead fulfilling and productive lives and participate more fully in their communities.

*A leader in supporting people with  
 developmental disabilities*
